Subject	Application for Full Stack Web Developer Position

Dear Hiring Manager,

I am writing to apply for the Full Stack Web Developer position at ABC Corporation, as advertised on LinkedIn. I am excited about the opportunity to contribute to your team and bring value through my technical and problem-solving skills.

I recently completed my graduation and have hands-on experience with HTML, CSS, JavaScript, React, Node.js, and MongoDB. I've also worked on 12 full-stack projects, integrating RESTful APIs and deploying applications using platforms like Vercel and Heroku. Additionally, I'm comfortable with Git and familiar with basic DevOps practices.

Thank you for considering my application. I have attached my resume and portfolio for your review. I would welcome the opportunity to further discuss how I can support your development team.

Sincerely,

Mohammad Shahnawaz
